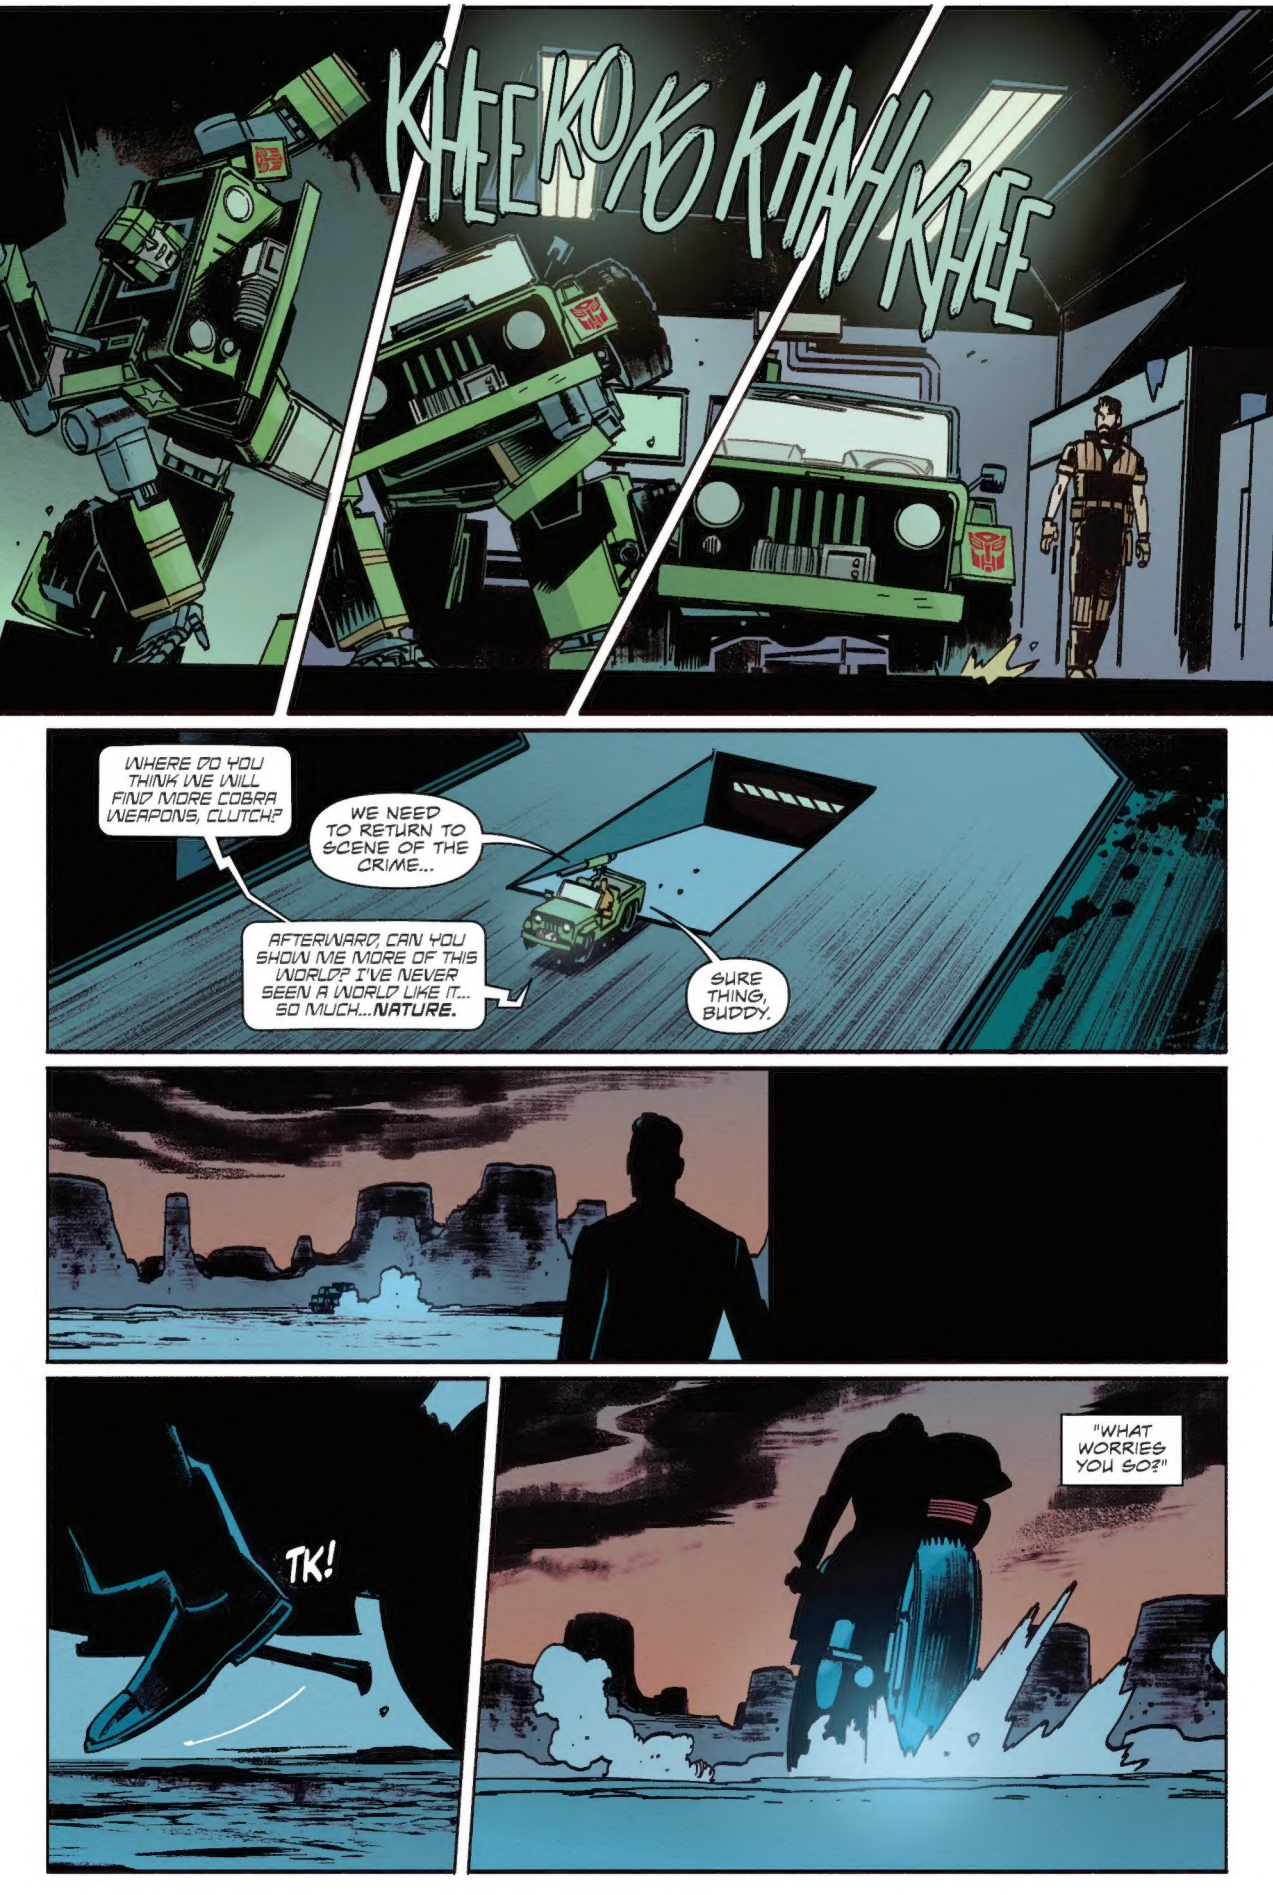
YES, YES.
NOW FINISH IT!
TAKE HER EYE!
GET DOWN HERE AND GET IT YOURSELF, BLUDD.
BARONESS IS ALREADY DOWN. SHE'S BLEEDING OUT, AND YOU SAID YOU WANTED HER ALIVE.
HOW DARE YOU?!
I'M THE ONE IN CHARGE HERE. I MAKE THE DEMANDS, NOT YOU, COVER GIRL.
TAKE OUT BARONESS'S EYE!
MAKE ME.
DID YOU FORGET THE RULES OF MY GAME?

"RAPTOR STALKS BARONESS'S PARENTS.
"IF YOU DON'T FIGHT, I WILL SEND THE ORDER FOR HIM TO KILL THEM."
I...I DON'T CARE...

OH, BUT I THINK YOU DO.
IMAGINE THIS...
"RAPTOR GUTS YOUR MOTHER.
"THEN, SLICES OPEN YOUR FATHER'S THROAT.
AS THEY CHOKE ON THEIR OWN BLOOD, THEY WILL KNOW IT IS BECAUSE OF YOU.
THEIR FAILED DAUGHTER, THE CRIMINAL. THE TERRORIST. THEY WILL DIE NEVER KNOWING HOW YOU'VE TRIED TO REDEEM YOURSELF. THAT YOU TRIED TO WORK ON THE SIDE OF THE ANGELS.
BUT WORSE THAN THAT...
YOU'LL NEVER GET TO SAY GOODBYE.
NO!
WHAT ARE YOU DOING?
FIGHT ME!

THE PIT.
THIS IS ALL I HAVE FROM COBRA. JUST THE ONES I WAS ABLE TO BRING BACK WITH ME WHEN I WAS UNDERCOVER.
BUT THESE WEAPONS ARE ALL OUT OF GAS.
GAS?
YEAH, THE ENERGON.
AH, YES. ENERGON IS THE LIFE BLOOD OF THE AUTOBOTS. DANGEROUS AND POWERFUL. WARS HAVE BEEN FOUGHT OVER IT. WE NEED IT TO SURVIVE... I NEED IT.
I WORRY ABOUT MY BROTHERS AND SISTERS. I DON'T KNOW HOW MUCH OF IT MADE IT TO YOUR WORLD...
ENOUGH THAT COBRA HAS SOME.
THE JOES BROUGHT BACK SOME OF THE WEAPONS FROM M.A.R.S., BUT GETTING A LOOK AT THAT MIGHT DRAW TOO MUCH ATTENTION TO US...
DUKE AND THE JOES MIGHT LEARN ABOUT YOU, AND WE DON'T WANT THAT YET.
I THINK WE NEED TO HIT THE ROAD AGAIN, BIG GUY.



KHEEKOKO KHAH KHEE
WHERE DO YOU THINK WE WILL FIND MORE COBRA WEAPONS, CLUTCH?
WE NEED TO RETURN TO SCENE OF THE CRIME...
AFTERWARD, CAN YOU SHOW ME MORE OF THIS WORLD? I'VE NEVER SEEN A WORLD LIKE IT... SO MUCH...NATURE.
SURE THING, BUDDY.
TK!
"WHAT WORRIES YOU SO?"

EXCUSE ME?
DESTRO. YOU'RE NOT HERE WITH ME. WHERE ARE YOU? WHAT WORRIES PLAGUE YOUR THOUGHTS?
WHAT MAKES YOU THINK I WORRY, ASTORIA?
CALL IT WOMAN'S INTUITION.
HM. OUR COMMANDER HIDES SOMETHING FROM ME. HE TOLD ME JUST ENOUGH TO KEEP THIS ENDEAVOR INTRIGUING. HE SHOWED ME HIS PLANS.
BUT... I DO NOT KNOW HIS PAST. WHERE HE COMES FROM...?
THE COMMANDER HAS SENT SMALL PLATOONS OF COBRA OFFICERS ON MISSIONS...
THAT THEY NEVER RETURN FROM.
SEND MERCER TO TRACK THEM DOWN. PERHAPS THAT ROAD WILL LEAD TO THE COMMANDER'S ORIGINS?
NO. COINCIDENTLY, MERCER IS ON A SECRET MISSION FOR ME RIGHT NOW. RESEARCHING THESE...ROBOTS THE COMMANDER AND DUKE ENCOUNTERED.
I HAD HIM RETURN TO M.A.R.S. TO SEE WHAT THE JOES TOOK FROM THE WRECKAGE...
I BELIEVE IT IS TIME...

"I GET MY OWN HANDS DIRTY..."
UH, SIR. THIS AREA IS OFF LIMITS TO ANYONE BUT THE COMMANDER.
WHAT ARE YOU HIDING, COMMANDER?

WHAT ARE YOU DOING HERE?
MY LAB IS OFF LIMITS. EVEN TO YOU, DESTRO.
WHAT ARE YOU DOING?!
EXPLAIN YOURSELF.
PERHAPS IT IS BEST I SHOW YOU.
FIRST-HAND.
"THEY DEAD YET?"

MY BIRDS ARE GETTING RESTLESS. ARE WE KILLING THESE TWO OLD TIMERS OR WHAT?
THE GIRLS ARE STILL GOING AT IT.
I'LL UPDATE YOU IN A FEW...STAND READY.
YOU HEAR THAT, GIRLS?!
THE CLOCK IS TICKING!
Y'KNOW, WHEN YOU TRAGICALLY STOLE MY EYE, I THOUGHT MY LIFE WAS OVER.
I WAS RUINED.
BUT THEN... IN THE DARKNESS OF MY GRIEVING... I UNCOVERED SOMETHING ABOUT MYSELF.
I'M MORE THAN A HIRED GUN.
I'M A RENAISSANCE MAN.
A POET, IF YOU WILL.
AND SINCE I HAVE AN AUDIENCE...
ALLOW ME TO READ A PASSAGE I WROTE ESPECIALLY FOR YOU.

KRAK!

BANG.

A SOUND I USUALLY ADORE.

UNTIL I COULD NO MORE.

THUK!

THE METAL PIERCED THE BACK OF MY EYE.

THANKFULLY, MY BRAIN DIDN'T GO BYE-BYE.

THOOM!

FIRED BY THE WOMAN IN BLACK HUE.

WHO NOW HIDES IN RED, WHITE, AND BLUE.

C'MON...

SHE TOOK HALF MY VISION.

AND HALF MY PRECISION.

NO!

ONCE SHE KNOWS BLUDD'S PAIN.

SHE WILL--

BLUDD!

WOULD!

YOU!

SHUT UP!
CRACK!
HM. NOT EXACTLY THE OUTCOME I WAS HOPING FOR.
I WAS REALLY ROOTING FOR THE BLONDE.
SHE HAD A NAME.
BUT A DEAL'S A DEAL, BLUDD.
LET MY PARENTS GO.

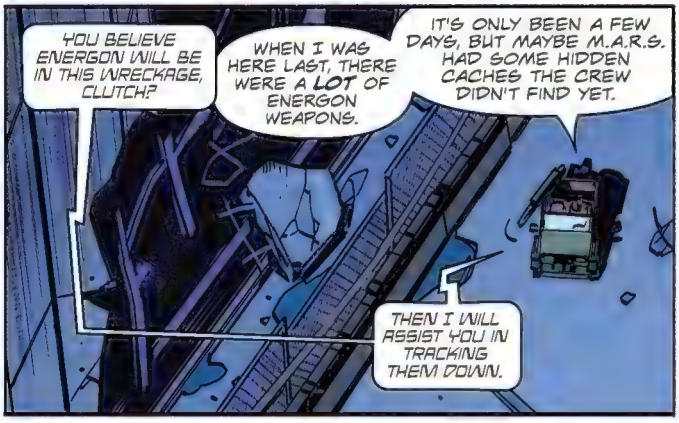
I'LL JUDGE FOR MYSELF.
I'M GLAD YOU FINALLY SHOWED YOUR TRUE COLORS, BARONESS.
YOU AND I ARE SO ALIKE, Y'KNOW? BOTH CREATURES OF CHAOS. KILL OR BE KILLED.
I'M NOTHING LIKE YOU.
KEEP LYING TO YOURSELF, HONEY.
REGARDLESS OF WHAT PEOPLE THINK, KILLING IS HARD WORK. IT'S NOT EASY FOR ANYONE.
BUT YOU...?
YOU'RE A PRO.

SNAP
SURPRISE.
AAHHHHHH!
BLUDD... NEVER... STOP...
TO POSE.

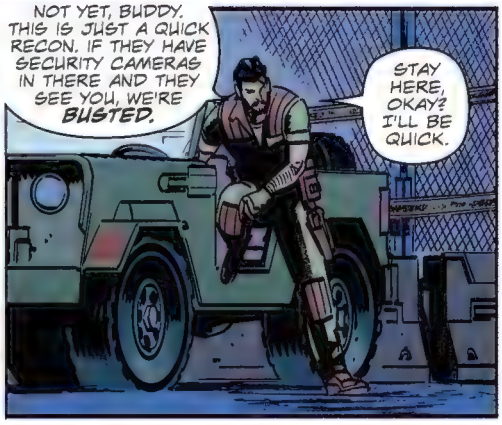
YOU ALMOST BROKE MY ANKLE, YOU WITCH!
HOW ARE YOU ALIVE?!
YOU'RE NOT THE ONLY ONE WITH A FLAIR FOR DRAMATICS.
I'VE HAD TO PRETEND TO DO MUCH WORSE THAN THAT TO LURE A MAN INTO A PIT, BLUDD.
WE KNEW THE ONLY WAY YOU'D EVER COME DOWN HERE IS IF ONE OF US WERE DEAD.
SEE?
YOU WANT TO CHEAT MY GAME? FINE.
IF RAPTOR DOESN'T HEAR FROM ME, HE'LL KNOW SOMETHING IS WRONG AND KILL YOUR PARENTS.
YOU GOT THAT?
I'LL RIP HIS WINGS OFF.
SHE WON'T MAKE IT IN TIME.
AFTER I TAKE YOUR EYE, YOU CAN CRY ON MY SHOULDER, LOVE.
YOU WANT THIS EYE...

COME AND GET IT!
IF YOU NEED SOMETHING DONE RIGHT...
DO IT YOURSELF!

M.A.R.S. INDUSTRIES.
MARS

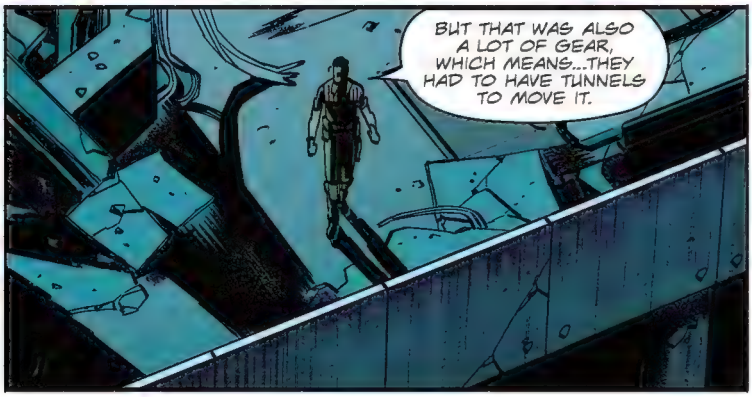


YOU BELIEVE ENERGON WILL BE IN THIS WRECKAGE, CLUTCH?
WHEN I WAS HERE LAST, THERE WERE A LOT OF ENERGON WEAPONS.
IT'S ONLY BEEN A FEW DAYS, BUT MAYBE M.A.R.S. HAD SOME HIDDEN CACHES THE CREW DIDN'T FIND YET.
THEN I WILL ASSIST YOU IN TRACKING THEM DOWN.



NOT YET, BUDDY. THIS IS JUST A QUICK RECON. IF THEY HAVE SECURITY CAMERAS IN THERE AND THEY SEE YOU, WE'RE BUSTED.
STAY HERE, OKAY? I'LL BE QUICK.

I COULD'VE SWORN I HEARD THOSE SNAKES SAY THEY HAD LABS IN THE LOWER LEVELS...



BUT THAT WAS ALSO A LOT OF GEAR, WHICH MEANS...THEY HAD TO HAVE TUNNELS TO MOVE IT.

KLIK

I KNEW IT.
I KNEW YOU WERE HIDING SOMETHING...
YOU TRAITOR.
RISK? WHAT'RE YOU--
COBRA!
WHEN YOU WERE UNDERCOVER... THEY MUST HAVE USED THAT BRAIN SCANNER MACHINE ON YOU.
I KNOW WE DON'T KNOW EACH OTHER, RISK.
BUT YOU GOT IT ALL WRONG.
EXPLAIN IT TO DUKE.
I'D LIKE TO KNOW, AS WELL.

TWO G.I. JOES WALK INTO SOME WRECKAGE...
SOUNDS LIKE THE START OF A BAD JOKE. INSTEAD OF FINDING THE PUNCHLINE, I'LL JUST KILL YA.
S#%$.
DID YOU TELL ANYONE YOU WERE FOLLOWING ME?
NOPE.
GREAT.
I COULD BRING YOU BOTH BACK TO COBRA, BUT YOU TWO MIGHT BE BAIT AGAIN.
LEADING G.I. JOE TO OUR HIDEOUTS.
EASIER TO JUST KILL YOU AND BE DONE WITH IT.
OH, REALLY? YOU SURE ABOUT THAT?
WHAT... THE... HELL?
C'MON, BOYS. DON'T GET TOO SCARED...

AT LEAST PUT UP A FIGHT...

STRAIGHT SHOOTERS

DIRECT ALL CORRESPONDENCE TO: GIJOE@SKYBOUND.COM

The final page is such an awesome, horror movie moment! I love it...editor Ben Abernathy here once more to answer some letters with the help of the one, the only, JOSHUA WILLIAMSON! *applause*

This is one of my fav last pages we've done. I love Mercer and Hound, and Andrea really nailed the vibe I was hoping for and then leveled it up. So damn cool.

Let's check out some letters!

Dear Skybound G.I. Joe Team,

When I was 11 years old I came to this country from Nicaragua, and the first toy I ever got was a Beach Head G.I. Joe action figure. As I grew up, I lost track of it. I'm sure my mom packed it along with other of my childhood toys and sent it off to the Goodwill or Salvation Army for some other lucky kid to enjoy. Through the years I have been able to reconnect with several Beach Head action figures, thanks to Hasbro, so when I was browsing the comic book section and saw Beach Head on the cover of G.I. Joe #07 I just had to buy it. The story was great, the art was amazing, and you brought joy to a 48, soon to be 49 year old, since my bday is tomorrow, and a smile. I am attaching pictures of my Beach Head collection. I guess after all I'm still 11 years old inside. :)

Leonardo Mayorga

Happy belated birthday, Leonardo! (And sorry we didn't run your picture but it was impressive!) I, too, had a Beach Head toy as a kid and other than Snake Eyes, he was my absolute favorite!

Beach Head has always been one of my favs as well. I knew from the start that he would be our first solo Night Force issue because of that. I wanted to make sure we got it right for the fans like you. I'm glad you enjoyed it as much as we had making it!

Team Joe,

I have been obsessed with G.I. Joe toys and tv since I was a kid in the early 2000s but was never able to find a good jumping on point to get into the comics.

This new series has finally given me that and has me wanting more every month. I love what y'all are doing with these characters and thank you for finally giving me my favorite Joe, Beach Head!

I can't wait to see who you bring into this universe next!

Yoooo Joe!

Tracer Houston

Thanks for the letter and support, Tracer! I LOVE that our series was your gateway into this amazing universe...and be sure to check out the larger ENERGON UNIVERSE if you'd like to see how it all connects!

YO! That is awesome to hear! Really great! Glad we have so many Beach Head fans! Look for his next appearance in #12!

Hello Joshua Williamson, Andrea Milana, and the G.I. Joe Team, I'm writing in again to say just how much I've been loving the series. I also appreciated seeing my last letter in issue 3. The funny part is, we had a snowstorm here in Kansas City when that issue was released, so all the local comic shops on both the Kansas and Missouri sides were closed when that issue came out because of inclement weather. I had to wait a few weeks to get my copy of #3. So, I didn't know my letter was published until it was read on the Talking Joe Podcast, which is a podcast I know the team behind the series has all been interviewed on at various points. That marks the second time I had been alerted that I had a letter published in a G.I. Joe comic from listening to a G.I. Joe Podcast. The first time was listening to the Joe On Joe Podcast with issue #303 of Hama's run as part of Joe's cold open discussing G.I. Joe news items. In that case, it was a matter of listening to that podcast on my way to the LCS and hearing that I had a letter printed before making my purchase. Alright, enough of that, on to the meat and potatoes.

That first arc was a lot of fun, and I enjoyed the showdown between Duke and Cobra Commander. Now on to issue #7 and the introduction of Beach Head, and man, you knocked it out of the park with Beach Head with some of the coolest action featuring him. Andrea's art made the fights pop. Also, seeing Major Bludd in full eye patch glory is great. Fitting for the Night Force debut. I also loved seeing the return of Flint, he's a personal favorite of mine because he's from Kansas. I'm eagerly awaiting

my Retro Flint from the Classified line. We last saw him in last year's Energon Universe Special. Nice to see Flint back and to have him reveal that Beach Head stole the B.A.T. Duke, the Joe from Missouri, destroyed in the Duke series. We also can't have Flint without the lovely Lady Jaye, so it's cool to see the pair join Beach Head together. Speaking on Energon Universe Specials, enjoyed this year's with Hound and Trakker. Since we see Trakker in this year's Energon Universe Special, is that official confirmation that M.A.S.K. is part of the Energon Universe, or do I have to keep reading to find out? I know many fans, myself included, have been curious about what other Hasbro properties, such as M.A.S.K., will appear in the Energon Universe.

Looking forward to the future of G.I. Joe in the Energon Universe. Especially, with Yo Joe June around the corner. Now You Know and Knowing is Half The Battle.

Sincerely,
Scotty

I hope there's no snow storm this time to interrupt your reading this letter column...and for details on M.A.S.K., yes, keep reading haha.

We've managed to keep our plans for M.A.S.K. secret since the start of the E.U., so I'm not going to spoil them now. Haha. But yeah, big things are happening with Flint, Beach Head, the rest of Night Force and that stolen B.A.T.! Glad we got another of your letters in here. Keep writing! I'm looking forward to the new Flint that might be coming to the new Snowcat HasLabs if it gets funded at that level!

Hi, Skybound team!

My name is Kenya.

It's my first comic email I've ever sent, so I think I'll be shocked if I see it in a comic. But that's not the point.

I like the series, although there are still some confusion about what the timeline is between the Transformers and Joe. It's pretty clear, but hopefully it will become clearer as we go along. I also like the approach of adding characters like Raptor, or Nemesis Enforcer. And basically, the whole Cobra-La! I liked this approach to the fantasy part of Joe in the series.

My first question is, will there be any non-core characters added? Some of my favorites like Agent Helix or Kamakura. I also like the female version of Dial-Tone, his sister. I think now is not the time, but still.

Second, will the franchise's origins as Adventure Team be explored? Maybe they were also somehow connected to the Cybertronians?

Third. Will we return to Darklonia? I was wildly pleased with the limited edition of Destro, our brutal, strong-neck for a chrome-head merchant. Darklonia has been a great addition and I think it's a whole little world that can be developed and expanded upon. It would be cool to see the same Metalhead or even more Iron Grenadiers.

Not really a question, more of a theory. The games Hawk plays are certainly interesting, and I think this could be tied to the past. I also feel like Zartan, mentioned in Cobra Commander, has been around somewhere all along...

And finally, shall we return to the limited series? I really like the Waters and Thompson series. They are not plot-driven like Duke or Commander, they just seem to expand the world. It would be even more awesome to get a Snake Eyes series written by Hama and drawn by my current EU favorite, Jason Howard.

That's all. Thank you for your work! Especially you, Ben. And Burnout.

Thank you for writing in, Kenya and as I'm fonding of saying--"Keep reading!" Haha.

Also thank you for writing in! Glad we get to be your first published comic book letter! I hate to repeat what Ben, said and just say keep reading. I think I can at least add that we will return to Darklonia in #12! And trust me, I try to add as many characters as I can to each story, but we want to make sure all the introductions are special as everyone gets a moment to shine. Which means it's going to be a while before we get to some characters, even a few of my favorites.

And that's a wrap for this month! Things get white hot next month in the conclusion of our fun little arc!

-Ben

This issue had a lot of action in it but next issue takes it to another level. Fights, fights, fights and then some really cool moments build to an even bigger story we've got coming up! To be continued!

-Joshua

ENERGON EXPERIENCE

I'm thinking we might need to rename August in the Energon Universe to Attackgust or Slaughtergust...not only do we have Autobots vs. Decepticons, Zertonians vs. Agorrians, we have Joe vs. Joe...as Cover Girl and Baroness fight to the death! This is going to be the hottest summer on record in the Energon Universe!

Ben!

-BEN ABERNATHY, EXECUTIVE EDITOR

CHARACTER SPOTLIGHT

WHO: Lance Steinberg, Codename: Clutch

WHERE: Clutch is Duke's closest friend on the team and his specialty is transportation...which comes in handy as he's secretly working with the Autobot Hound!

WHAT: Clutch knows that Duke's out to destroy any and all robots he finds...so how long can he keep Hound under wraps? And has a member of the G.I. Joe team figured out his secret...?

FLASHBACK FUN!

This won't be the first time I reference the 1987 G.I. JOE animated movie in this month's Energon Experience (be sure to pick up VOID RIVALS #22!). That movie includes the first appearance of Mercer and he was a member of a new G.I. Joe team, Sgt. Slaughter's Renegades. When he's introduced he literally spits on a scorpion at the feet of Lt. Falcon--how bad ass is that?!

CREATOR SPOTLIGHT

Our killer colorist on this arc of G.I. JOE, Lee Loughridge, dropped by the Energon Experience to answer this month's question:

Q: Okay, Lee, if you were stuck on a desert island, which member of G.I. Joe would you want there with you and why?

A: That's easy, Baroness. I would win her over eventually so we could start a family.
